

Investing for Success

Under this agreement for 2018 Murgon State School will receive

\$173,150*

This funding will be used to

- Close the Gap and improve the overall reading achievement of the current Year 1 (2018) students by 2020 when they sit year 3 NAPLAN.
- Every student accessing a different year level curriculum (ICP) will achieve a 'C' standard or better against the relevant year level achievement standard.

Our initiatives include

- Continue to implement culturally responsive school case management approaches to students' reading achievement by building teacher capability in identifying:
 - Reading demands in the Australian Curriculum cross referenced to L4L and C2C
 - Age Appropriate Pedagogies
 - Oral Language and Phonological Awareness programs
- Targeted additional support through the Student Services Team for Students with Disabilities, on ICP's and Indigenous students.
- Increase teacher's repertoire of high impact teaching strategies, specifically around reading.
- These initiatives are evidenced through the work of:
 - Sharratt L, & Fullan M, 2012 Putting Faces on Data
 - Fisher D, Frey N Hattie J, 2016 Visible Learning for Literacy
 - Raphael T, Highfeild K, Au K, 2006 QAR Now
 - Richardson J, 2016 The Next Step Forward in Guided Reading.
 - Cameron S, Dempsey L, 2016 The Oral Language Book.

Our school will improve student outcomes by

- Curriculum leaders support teachers with the implementation of new learning and provide targeted professional learning including; Sharratt, Age Appropriate Pedagogies, Reading Hub, Early Start, Oral Language and Phonological Awareness all supported by planning, modelling, observation and feedback processes. \$20,836
- Providing additional individual and small group support to Students with Disabilities and on ICP's. \$80,369
- Purchasing additional Speech Language Pathologist FTE. \$13,555
- Provisioning of a 0.5 School Based Literacy Leader to assist with the analysis and discussion of curriculum aligned through planning, modelling, observation and feedback using the BIDBIU framework, Australian Curriculum and Language for Learning units of work. \$43,080
- Upgrading of the bandwidth and wireless network. \$15,310
